

we can solve it.

# ATS ONLINE MARKETPLACE RELEASE NOTES

VERSION: 2016.10

## ENHANCEMENTS

### Events

- Added support for the following dates in Events in the Staff Site (CW31079):
  - Registration Start Date and Time
  - Registration End Date and Time
  - Before Start Date Message
  - Cutoff Message
  - Edit Cutoff Date
  - Edit Cutoff Message
    - New Store\_Settings
      - IblEventRegistrationEditCutoffMessage
      - IblEventRegistrationNotStartedMessage

## RESOLVED ISSUES

### Events

- Corrected issue when an event only has member pricing where the Online Marketplace would not show the 'Login to Register' button because the Anonymous ID (ConfigAnonymousOrderID) was not allowed to register (CW29700)
- Corrected issue when trying to set a limit on coupon use over 32,768 (CW31121)
- Corrected issue with Display Value and Data Value fields when using Dropdown List Survey Questions – Defined by IQA (CW31122)

we can solve it.
