

we can solve it.

ATS ONLINE MARKETPLACE RELEASE NOTES

VERSION: 2016.24

ENHANCEMENTS

Dues

- Added the ability to set a sort order for member type and category selection in the join/renew wizard. Two new general lookup tables were created to manage this; they are Store_Member_Type_Sort_Order and Store_Dues_Category_Sort_Order. See the Online Marketplace User's Guide for detailed information. (CW34117)
- Update dues receipts to sort products by Payment Priority order. (CW34118)

Events

- Functions on receipts and confirmations will now print in order of the Sort Sequence set on each function. (CW34119)

we can solve it.
