ATS ONLINE MARKETPLACE RELEASE NOTES

VERSION: 2020.33.11162

ENHANCEMENTS

Billing

- Added the ability to pass billing category (Name.CATEGORY) to dues.aspx to pre-select a billing category. This compliments the existing ability to pass in a customer type (Name.MEMBER_TYPE). (CW61093)
 - Dues.aspx options
 - Dues.aspx
 - Dues.aspx?CUSTOMERTYPE=M (where M is the member type to pre-select)
 - Dues.aspx?CUSTOMERTYPE=M&BILLINGCATEGORY=ELEC (where M is the member type and ELEC is the category to pre-select)
 - Dues.aspx?BILLINGCATEGORY=ELEC (where ELEC is the category to pre-select)

RESOLVED ISSUES

Events

- Added check of time conflicts with linked functions/program items. (CW61164)

General

- Correct issue with closing div tag on the searchresults.aspx page. (CW61186)

Billing

- Corrected issue with AutoDraft payment plans being allowed for products that had terms other than 12 months. The AutoDraft feature only supports 12-month product terms. (CW61033)
