

A revolutionary advocacy tool to manage, track and increase member/Donor engagement.

Launch advocacy campaigns that connect advocates to their elected officials to drive actions.

- Write your legislator
- Call your legislator
- Tweet your legislator
- Share your story
- Sign a petition
- Sign up for a newsletter

Educate your advocates by posting content on your website.

- Federal and State Legislative bill and vote information.
- Elected Official and Candidate Look up and Bio information
- Post news articles that support your issue areas using our licensed content from 4500 sources.

Track and report.

- Know when your advocates have taken any action.
- Segment and micro target based on activity or demographics

Probing Questions.

- Does your organization participate in any grassroots advocacy?
- Do you reach out to our stakeholders and ask them to get involved by contacting their elected officials?
- Can you track stakeholder engagement?
